

Is that

What  
I want in a woman

That, that  
that

That baked goose

That half-baked  
potato

Cross-eyed

Katerinka  
with your  
finger in

Your pudding  
in  
your pie

If you  
looked straight  
at me

Katerinka  
I would  
die

Katerinka  
I would  
die
